

# Vegas Photo Op List

## Off The Strip

First time visitors to Las Vegas are usually unaware of the remarkable beauty surrounding Las Vegas! You can go from a snow covered mountain top to Death Valley within an hour or two from the Strip. Many couples choose the natural beauty surrounding Las Vegas over the packaged glitz of the Strip for their professional wedding photos.

Note: Certain locations have photography rules and some require reservations or payment. For example the national parks have entry fees. Please do an internet search for exact details. Getting to most of these destinations will require renting a car though tours may be available. Some locations can be a little crowded so please be patient. We always recommend bringing water even in cool times of year as this is the desert.

**Make it easy:** Book our professionally guided photo tour. We will provide the photographer and transportation.
